

# WE'RE ALL IN THIS TOGETHER!

T

Tell your health care provider, supervisor, or someone you trust, if you feel sick or depressed.

Keep your distance. Wear a mask.

O

Observe the three W's

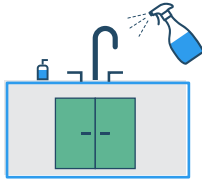

1. Wash your hands often with soap and water for at least 20 seconds
2. Watch your distance, stay 6-feet apart
3. Wear a mask, if possible

G

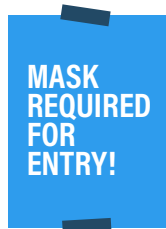

Golden rule always applies. Treat others the way you want to be treated and practice patience.

Clean sinks,  
countertops,  
bathrooms

E

Establish a routine for cleaning and sanitizing frequently used items and surfaces.

T

Take time to educate employees on safety protocols.

H

Have signs posted with store, office and state health regulations.

E

Encourage workers and customers to avoid touching their face, nose, eyes, and others as well as sharing personal items.

R

Remember to cover your coughs and sneezes.
